

# Festival of Lights 2009

On Wednesday, **December 16, 2009** at 6:30 in the evening, the Cove Guest Home Foundation will host the 13th Annual Festival of Lights.

Different colour light bulbs are for sale to be placed on a Christmas trees in front of the Cove Guest Home. Each colour light has a different size gift value - \$10 for a white bulb and up to \$75 for a blue bulb. Angel ornaments, deck angels, stars, wreaths and archways are also for sale .

Your gift can be made **In Memory of** a loved one or **to Honour** someone presently in your life. In previous years, people thought the memorials were for Cove Residents only, not so, anyone can be honoured. After the official lighting ceremony, we will read ALL the names aloud. Afterwards, local entertainers will sing holiday carols while the crowd is treated to cookies and cider. A Memorial Book will go on display in the lobby of the Cove after the event and included in our Website at [www.coveguesthome.com](http://www.coveguesthome.com)
